

RSCDS Herts and Borders Branch

### **Precautions to minimise the risk of coronavirus infection and transmission**

We very much look forward to welcoming you to our events.

However, following the lifting of restrictions, we all need to take personal responsibility for minimising the risk of spreading Covid and would ask the following.

1. Please do not attend an event if you have Covid or symptoms which indicate you may have Covid.
2. Please bring your own hand sanitiser, although RSCDS Herts and Borders will also make hand sanitiser available.
3. Whilst many dancers may have been vaccinated it is not a requirement and we will not ask your vaccination status.
4. RSCDS Herts and Borders will ensure there is adequate ventilation at events.

We look forward to seeing you.

Many thanks  
Ian Stewart, Secretary, RSCDS Herts and Borders Branch
